

LOOKING TO ENTER THE WORLD OF WORK? NEED SUPPORT?

Based in North Bristol, West of England Works is a **completely free** and **voluntary** service supporting you to explore learning, volunteering and employment opportunities.

HOW COULD WEST OF ENGLAND WORKS HELP?

Working closely with an Employment Mentor, you'll co-create a personalised plan of action. This way, the support you receive will be relevant to your needs and at a pace you're comfortable with.

Understand Your Barriers

We'll work with you to understand and address the varied barriers you might face on your journey.

Get Personalised Support

Support you receive will be based on your needs and goals. We don't believe in a one-size-fits-all service.

Develop Your Skills

You'll have opportunities to explore your interests, boost your confidence and gain skills in areas relevant to you.

Reach Your Goals

We'll be with you every step of the way to put your plan into action and help you move towards education, employment or self-improvement.

WHO CAN RECEIVE SUPPORT?

We want as many people to take part as possible. To be eligible, you must be unemployed (not in work of any kind, including zero hours contracts) and have the right to live and work in the UK.

HOW CAN I TAKE PART?

If you'd like to join the project, please email westofenglandworks@southmead.org for more information or phone the Greenway Centre on **0117 950 3335** and ask about West of England Works. Find us online at: <http://tinyurl.com/westofenglandworks>

ABOUT THE PROJECT

Southmead Development Trust is one of several partners running the West of England Works programme to actively support people furthest from employment to achieve their full potential.

The project is part of the Building Better Opportunities programme, and has received £6 million of funding from the Big Lottery Fund and the European Social Fund.
