

JOB ADVERT

Community Access Support Service (CASS) Networker – North Bristol

We are looking to recruit a dynamic individual who can work as a **Networker** across north Bristol, to support community, equalities and faith groups, both big and small, to understand the Bristol Mental Health system and to increase their awareness of mental health. Working as part of The CASS Team, you will work with these groups and with primary and public health organisations and agencies across the Bristol Mental Health system, influencing and supporting providers to ensure high-quality, appropriate and accessible communications and service delivery.

You will have experience of working with local communities and of organising focus groups and events, a passion for preventative mental health work, believing in the strength and resilience of communities to be the solution they need. As an outward facing role you will act as an ambassador for Southmead Development Trust.

The role is guaranteed to September 2019 with 2 years possible extension. The salary band is £21,000-£22,000 FTE, 32 hours per week.

Application packs are on the Southmead Development Trust website (www.southmead.org) or at the Greenway Centre Reception.

For questions contact Charlie Ferdinando on 0117 950 3335 / charlieferdinando@southmead.org

The deadline for applications is 23:45 on Sunday 4th Nov.
