

JOB ADVERT

West of England Works – North Bristol Employability Mentor

We are looking for someone passionate about enabling individuals to get closer to the work place. You will be experienced in delivering a person-centred approach in order to meet the needs of clients. You will have a genuine passion for empowering people and supporting them to lead healthier and happier lives.

You will support participants of the programme by guiding them towards progressions into employment, education or training. You will design innovative, individualised and person-centred plans to help participants remove a range of barriers and help them access support services in the area.

You will join an existing team to deliver the West of England Works project. This is funded through Building Better Opportunities which brings together funding from the Big Lottery Fund and the European Social Fund (ESF) to support and sustain quality employment without barriers to participation, encouraging social inclusion, combating poverty and discrimination, developing the potential and existing workforce by investing in education, training and vocational skills.

Salary: £24,205 pro-rata
