

JOB ADVERT

‘Wider than Work’ Mentor

We are looking for 3 individuals who are proactive and passionate about people’s health and wellbeing.

Working closely with job centres, you will provide confidential 1:1 psychosocial support (social prescribing holistic) for individuals whose mental health struggles are a barrier to employment – managing your own case load and working to clear targets.

The salary is £20-24k pro rata (dependent on experience), fixed term for 8 months. The hours are 22.5hrs/week, to be worked flexibly. Each mentor will be based in each Bristol locality (North/West, Central/East, South).

For more information and an application pack please contact Zoe Tingle at The Southmead Development Trust on 0117 9503335 or zoetingle@southmead.org. The deadline for applications for this post is 9am on the 8th March, with interviews likely to take place w/c 11th March.
